

Langex Ltd. Policy of Quality insurance

- Quality will be defined by the market. We will always follow the market demands.
- Quality insurance at Langex will be carried out according to the regulations of MSZ EN ISO 9001-2015.
- Training for quality insurance will be carried out according to the other training methods like fire protection, safety at work, data protection, etc.
- Langex will maintain the independent audition of its quality insurance system according to MSZ EN ISO 9001-2015.
- Langex is always trying to improve its services.
- All of our colleagues are working to achieve the satisfaction our partners and to-be-partners.
- Every colleague is responsible not only for his own work but for the work of his direct co-worker.
- Our creed: Quality is the best investment.
